Your Majesty,

We are deeply saddened to learn of the passing of your mother, Her Majesty Queen Elizabeth II. On behalf of Peterlee Town Council and the people of Peterlee, I offer sincere and heartfelt condolences to Your Majesty and the Members of the Royal Family.

Her Majesty's many years of devoted public service as the longest reigning sovereign of Great Britain and Northern Ireland and of the Commonwealth leave an everlasting imprint on the nation's character. Her commitment and devotion to so many charities and worthy causes is recognised by all, on a truly global scale.

I offer our warmest and heartfelt thanks for a selfless contribution to the humanity which has touched the lives of so many.

Sir, may I also take this opportunity to express support, as His Majesty King Charles III, wishing you careful guidance and support as you embark on this journey.

I have the honour to be Your Majesty's most humble and obedient servant.

Councillor Rob Moore  
Mayor of Peterlee
